THANK YOU

## WHO WE ARE !

---

International Cyber Security Defence and Intelligence (ICSDI) is a global company that develops new generation cyber security technologies.

As ICSDI, we provide cyber security solutions and services to many organizations from different sectors such as many public institutions, banking and finance, energy, critical systems and infrastructure, insurance, aviation, telecommunications.

ICSDI ,has been established with technical and management team who are experts in the field with years of experience and offers new generation cyber security solutions that will destroy cyber threats around the world. ICSDI won the “Cyber Defense Next-Gen Data Protection In The World”, “Intercon Data Protection Award” and “Global Infosec Award” with its ATAGUC SAFE product.

## OUR MISSION !

---

The Cyber World is becoming more and more dangerous every day. Cyber attackers are improving their capabilities and ruthlessly targeting everyone. Our mission as the ICSDI team is to "Make the World a Safer Place !"For this, we offer a new generation of cybersecurity solutions and services.

Now we're on. The World Is Safer Now !

## ICSDI LABS

---

Cyber world hosts new threats every day. As ICSDI LABS, the most important thing we do is to analyze emerging or potential threats, share them with our customers and make the World Safer. We know how important our work is. And we have a responsibility to all humanity, and we continue our work without slowing down so that humanity can live in a safer cyber universe.

## SCOPE OF THE REPORT

---

ICSDI LABS analysts scan and check millions of potentially malicious systems daily. The scope of the report is to disclose the malicious systems that ICSDI LABS Analysts have successfully detected and to share them with the whole world.
